

OREGON AVENUE RECONSTRUCTION PROJECT

Dear District Resident,

The Oregon Avenue Reconstruction Project team would like to make you aware that DC Water will be installing the tie-in of the new water main to the existing water main between Military Road and Mooreland Place NW.

This portion of work will take place between the hours of **7:30 pm and 5:30 am on December 18 and 19, 2020**, and will result in water service interruptions to residents along the aforementioned corridor along the Oregon Avenue Reconstruction Project. All affected addresses have been given the DC Water standard 48-hour prior notification of this work as well as pending water service impacts.

We apologize for any inconvenience and thank you for your continued patience as we complete this critical portion of work. For any additional questions or concerns, please contact the DC Water 24-Hour Emergency/Command Center at (202)612-3400.

Traffic controls and signage will be in place to safely guide all motorists through the work zone. Motorists are urged to use caution as they travel in these areas, to anticipate moderate delays and to be mindful of pedestrians and construction personnel.

Our goal is to keep you abreast of traffic modifications and milestones while providing open communication with the construction outreach team. Please feel free to visit the website at www.oregonavenueproject.com for the most recent project updates or email us at info@oregonavenueproject.com
