

OREGON AVENUE RECONSTRUCTION PROJECT

Dear District Resident,

Phase 3 is well underway and progressing on schedule. On **Thursday, April 1, 2021**, weather permitting, construction activities will shift to the park side lane for Phase 3.3, see the red line on the map attached. Northbound traffic will shift to the residential side of Oregon Avenue and Southbound traffic will be detoured. Phase 3.3 construction activities will begin on the park side of Oregon Avenue, between Tennyson Street and Rittenhouse Street. Which Includes the following activities:

- Reconstruction of the Northbound lane (park side) of Oregon Avenue
- District of Columbia Power Line Undergrounding (DC PLUG) work

Access to residences and the Knollwood community on Oregon Avenue will be maintained throughout the entirety of Phase 3.3 activities, unless notified and coordinated within a minimum of 48 hours in advance.

Detour: Traffic attempting to travel southbound on Oregon Avenue will follow the detour and signage in order to regain southbound access to Oregon Avenue. (Map attached) Traffic controls and signage will be in place to safely guide all motorists through the work zone. Motorists are urged to use caution as they travel in these areas, anticipate moderate delays and be mindful of pedestrians and construction personnel.

Exact Location: Phase 3.3 construction activities will take place on the park side of Oregon Avenue between, Tennyson Street and Rittenhouse Street, behind the concrete barrier from 7:00 am to 7:00 pm, Monday through Saturday.

Residents: Although the roadway may be blocked to thru traffic at times, access to your driveway will be maintained at all times. If you are restricted from leaving or retuning to your driveway, please notify the nearest flagger, who will coordinate safe access.

Our goal is to keep you abreast of traffic modifications and milestones while providing open communication with the construction outreach team. Please feel free to visit the website at www.oregonavenueproject.com for the most recent project updates or email us at info@oregonavenueproject.com

OREGON AVENUE RECONSTRUCTION PROJECT

-  Phase 3.3 – Northbound (Only thru September 2021)
